LE CELLE
IN CHIANTI
GUIDE

Get to know Chianti

Located between Florence and Siena, Chianti is one of Tuscany's most iconic regions, celebrated around the world for its exceptional wines, rich heritage, and breathtaking landscapes.

Its rolling hills are covered with vineyards, olive groves, and cypress-lined roads, creating a landscape that has become the very symbol of the Tuscan countryside. Throughout the year, the changing seasons paint the region with vibrant colours, making every visit a unique experience.

Chianti is also home to charming medieval villages such as Greve, Radda, Castellina, and Gaiole, the closest one to Le Celle, where cobbled streets, historic churches, and welcoming piazzas invite visitors to slow down and embrace the authentic Tuscan way of life. Along the scenic roads, you'll encounter ancient castles, family-owned wineries, and traditional trattorias serving local specialties.

Whether you choose to enjoy a wine tasting, explore the countryside on foot or by bicycle, or simply relax while admiring the spectacular views, Chianti offers a perfect blend of nature, culture, and tradition. It is a place where every journey becomes a memorable experience and where the true spirit of Tuscany can be discovered at every turn.
